Hello, below is a list of grants that may fit your community priorities. If you would like more information on a grant, or would like to talk to a staff person directly, contact Marla Quinn at mquinn@ecia.org.

Grant/Loan Program	Program Purpose	Due Date
Dubuque Racing Association	The Dubuque Racing Association, Ltd. Hopes to support a broad range of not-for-profit organizations, which fall into these general categories: Education; Health and human services; Arts, culture, and recreation; Civic and community development; Promotion of dog, horse, or other livestock-breeding industries.	28-Feb-17
Lincolnway Community Foundation	Accepts grant applications from charitable projects and programs impacting a wide range of needs in the community- arts and culture, health, human services, community betterment, historic preservation, etc.	1-Mar-17
Community Foundation of Greater Dubuque Community Impact grants	Organizations must be located in and serve Clayton, Clinton, or Dubuque counties to be eligible for the 2017 Community Impact Grants. Four capacity building areas are funded by Community Impact Grants: Training & Development; Collaboration & Coaching; Research & Planning; Operations	1-Mar-17
Community Foundation of Greater Dubuque YAPPERS Grant	The YAPPERS' annual grants program aims to provide Dubuque County youth-serving agencies with the opportunity to strengthen and grow their programs.	1-Mar-17
Alliant Energy Foundation – Community Grant	<p>Helping Families: The Helping Families category covers programs that offer families tools for meeting their basic needs, such as food and housing support, as well as parenting skills classes and similar programs.</p> <p>Education: The Education category will concentrate on various areas: job training, mentoring, public library support, financial literacy and STEM (science, technology, engineering and math) Education, which align with our business and help develop the Alliant Energy employees of tomorrow.</p> <p>Environment: We help protect the environment by supporting organizations that seek to educate, inform and advance environmental issues that have the potential to impact our communities. Our grant-making process is highly competitive. Due to the volume of requests we receive, our focus areas are broad. Based on the past several years, the majority of our grants have been for \$2,500 or less. Grants of \$10,000 or more are rare.</p>	1-Mar-17
	The purpose of this program is to improve baseball and/or softball	

Minnesota Twins Community Fund – Fields for Kids	facilities for youth in the Upper Midwest and southwest Florida by supporting the renovation or construction of fields primarily used by youth.	6-Mar-17
Land and Water Conservation Fund	Provides match funds of 50% for outdoor recreation area development and acquisition.	15-Mar-17
The Wellmark Foundation – Healthy Communities Small Grant Program	The Healthy Communities small grant program is for projects that support unique and innovative proposals addressing our focus on community-based wellness and prevention initiatives resulting in a lasting footprint where we live, work and play.	2017 deadlines coming soon.
Trees Forever – Iowa's Living Roadways – Projects	Assists communities and counties in implementing needed transportation enhancement projects. Communities that have also participated in our Community Visioning program receive first priority for this assistance and funding, but it is not a prerequisite to apply for Projects funding.	Pre-Application/Full Application: March 1 /April 1
Build With Bags Program	Funding to communities, schools and parks to assist in the purchase of equipment made of recycled plastic.	3/30/2017
KaBoom Playscape Grants	Community construction grants. Dr Pepper Snapple & KaBOOM! have teamed up to offer \$15,000 grants to be used toward the purchase of playground equipment. Playgrounds must be assembled and installed using the KaBOOM! community-build model.	We anticipate awarding the first round of 2017 Let's Play Community Construction grants in Summer 2017.
Community Attraction and Tourism (CAT)	The Community Attraction and Tourism (CAT) program was created to assist projects that will provide recreational, cultural, entertainment and educational attractions. Projects must be available to the general public for public use and be primarily vertical infrastructure.	15-Apr-17
