

## Questions received by ECIA regarding RFP

1. Can Cost Proposal include a transmittal letter, title page/designed cover, and Table of Contents beyond the 1-page maximum limit?

See page 9 for page limits.

- Letter of transmittal - 2 pages
- Title page – 1 page
- Table of contents – no limit
- Cost proposal – 4 pages

If cost proposal is separate document from the rest of proposal – can be included as appendix but then should be limited by the page limits outlined above.

2. For Technical Proposal, can resumes be included in an appendix?

Yes, Technical proposal resumes can be in an appendix – no page limit on resumes
